## THE RAYS OF REASON

An Introduction to the Jewish Question & Holocaust Revisionism  
*Philosophically & Poetically Produced*

*By Re Revelatum*

*"In the age of information ignorance is choice, yet you condemn without investigation those who raise their voice? Swallowing the news propaganda hook, line and sinker, you are the antithesis of a free and critical thinker"* –

### **Re Revelatum**

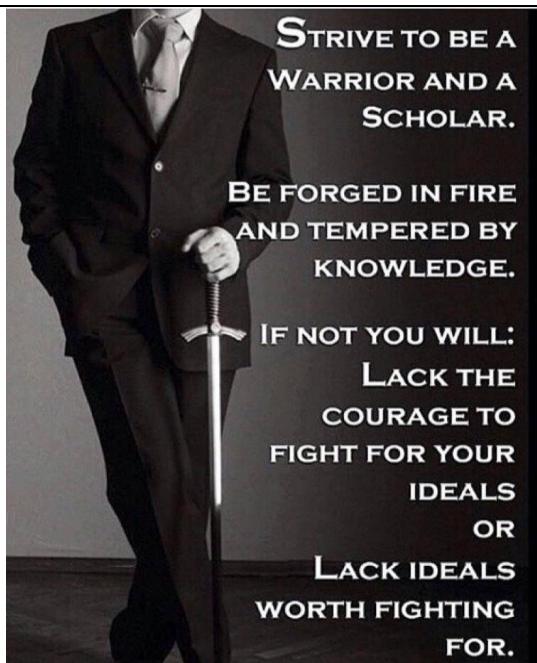

I sometimes recollect on the character and principles of the individuals I consider my piers. It is apparent to me that we all share the same underlying characteristics. Namely that we are stubborn and that we are fighters, either with a military or sporting background or simply it's within our personal nature. It takes a certain type of person to search, contemplate and deal with the truths contained herein, so if you are a coward then don't bother reading any further.

Many a time have I converted an individual to the path of truth and righteousness, they agreed with my convictions, but they would resign themselves to "**yeah but what can I do about it**" "**nothing will ever change**" "**the dice has already rolled**", or most disgustingly "**why do you even care?**"

These people are cowards and a waste of time. They stand for nothing and live by no meaningful principles. People who don't love the truth are simply self-serving pragmatic people who strive for their own glory.

They live by the code: **WORK – BUY – CONSUME – DIE!** Their existence is without purpose, mindless drones oblivious to the pain and destruction around them. A waste of space and a waste of the Earth's resources. Yet I will always branch out to these people, for I was once like them. The majority of all people are good in their heart just criminally naive and simple minded. Alternatively, truth seekers are those who will not sell out for a lie, they are warriors who will die for the truth and die for meaning. It is these people for whom this publication is intended; warriors in search of the truth. People who are fighters with the willingness and desire to make a difference and destroy those who poison, swindle and corrupt our world. This publication is for you.

*All that is necessary for the triumph of evil, is that good men do nothing – Edmund Burke*

*"When the last plant withers and dies,  
when the birds no longer soar through the skies,  
when the oceans and rivers quiver away,  
perhaps you should have listened this day"*

### **Re Revelatum**

My efforts and sacrifices in publishing this report will be worthwhile in so much it is of use to others.

Knowing full well that the information contained herein will be suppressed and censored under the illusory guise of "hate speech", by the pressure the powers that be have over our respective nations.

This publication is an exposé against crimes against humanity. It is a tribute to the many millions of individuals who lost their lives in the altogether pointless wars and subsequent genocides of recent centuries past; to the people of Palestine and to the millions of Christians slaughtered in the Armenian Genocide; to the upwards of 60 million slaughtered by Bolsheviks in Russia and the Ukraine; to the people of the Middle East who experience terrorism by the true definition of the word on a daily basis, victims of the corrupted Western World and its bogus war on terror. Finally, I dedicate this to the people of Germany, the millions killed postwar in Gulags and in Eisenhower's camps, the mass expulsions and mass rapes of over nine million Germans and East Europeans at the hands of the Red Army. Hitler's Germany was perhaps the last bastion of hope humanity had at salvation, those the Germans most incessantly opposed now rule the world with impunity. Perhaps these words may anger and strike emotional cords within the being of the reader, but I assure you that if you finish reading this report you will understand.

All of the latter genocides and wars including many more, were instigated and perpetuated by the same group of people.

Therefore I feel no regret or shame when these criminals, persecute, silence, censor, harass or lock me away. I do not fear death or imprisonment because the warrior lives for a higher cause. Don't attack or slander me, do not crucify the messenger, attempt to refute my message and attack my arguments.

Pulverize the pillars perpetuating my thesis, chisel, crack and crumble the core of my literary foundation. I stand on the truth. I am equipped with irrefutable facts and wield a pen that humanity's enemy fears more than the sword.

I have no time for pseudo intellectuals who think they have a grasp on reality but who cannot see beyond the barricades of their own limited perceptions. I care not for their opinions.

I have dedicated my entire life to the study of these subjects, when I seek an opinion I consult my equals, my piers, my elders, men who think as I do, men who have experienced what I have been through. I only debate my equals; all others I teach.

Condemnation without investigation is the height of ignorance. Rid yourselves of your pompous assurance, open your mind and delve into my world, the true world. When you engage in slander, you are not making a statement about me, but rather a statement about yourself, a statement of your profound stupidity and ignorance.

*When the debate is lost,  
slander becomes the tool of the loser – Socrates*

There has always been a percentage of the population who are capable of critical thought and don't suffer from absolute cognitive dissonance. These are the people who don't swallow everything they are told, hook, line and sinker, those who can entertain another perspective.

Although many people are aware of the mass corruption in the world, there is a very skewed perception as to who is behind it and why.

The "bad guys, if you will, some believe the rampant corruption and ills in the world are simply because human beings are greedy and lustful for power. We can be.

Conversely, there are many more people who hear the allegation or even the word "conspiracy", and are immediately filled with contempt and ridicule for the person who spoke it. Calling them crazy, nutcases, tin foil hatters, or any of the other media conjured and endorsed stereotypical slanders that their television programmed minds can draw from.

Is it really that far-fetched to entertain the possibility that there are people in positions of power and influence who are capable of criminal behavior?

The answer to this question is obviously no. I have spent my entire teenage and adult life consumed in such subjects. I have read many books, written many articles and unlike most, I will not beat around the bush when it comes to speaking the truth. I will give the names of these criminals, the dates and the figures.

There is a common theme that underlines every somber period in human history almost without exception. Everything from the plagues of Europe, the Thirty Years War, the horrors of the Atlantic Slave Trade, the genocidal killing fields and Gulags of the Soviet Union, the mass starvation endured during the Ukrainian Holodomor, the genocide of the Armenians, the mass murder of 9-11 and the slaughter of the Palestinians.

All of these atrocities and many more, share a common theme, and until enough people realize this fact we are doomed to endless tragedies and endless wars. To conclude, I would like to thank the men who made this article possible, without whom , I would have given up in my endeavors long ago. You guys were there for me when no one else was; when everyone else ignored, deterred or ridiculed me, you helped me push through. I extend my thanks to my close friend Robbie and guiding mentor Dr Frederick Töben.

***Well Sam, good to know you are well and motivated back – but take it easy because you must also think of your future, and such matters... as your sanity, it's a fragile thing to stay sane inside of an insane world... So, don't be too hard on yourself because you still have a lifetime ahead of you while I am in my twilight years... I am like Wotan, just wandering about watching what the young ones are doing... and whenever anyone asks me: 'Had you the knowledge then, would you have done things differently?' My reply is always an emphatic NO! Had I not done what I did do while I was ignorant of so many things, then for example I would never have met all those interesting individuals that populate the world of thought – such as you! – Dr. Fredrick Töben.***

## AUTHOR'S PREFACE

My critical thinking capabilities in the sphere of politics and history were first activated at the young age of 12. Many a time my father and grandfather, who both worked on the oil rigs, would discuss the bogus nature of the Middle Eastern wars. Stating unequivocally from first hand experience that they were only fought over resources, primarily oil. Hence, this is why Saddam Hussein set fire to the oil fields in Iraq upon the arrival of US troops. The country, of course, was invaded under the pretence of WMDs, which were never found of course. My dad and granddad are not crazy conspiracy theorists, quacks, tin foil hatters or any of the other media conjured up and endorsed stereotypical slanders, which bolster the rhetoric arsenal of the television programmed mind. They were just being honest, being real – Conspiracy Realists, as I would put it.

If you can't accept the possibility or entertain the notion that there are people in positions of power and influence capable of criminal behavior, then don't even bother reading any further. Through independent research and examination, I would come to the conclusion that the official version of 9-11 was bogus. Indeed, any reader who takes offence to this assertion I implore you to do your own research on the subject because the only reason to believe the official version of 9-11, bar missing half of your brain, is that you have done absolutely *NO* research whatsoever and blindly trust your government. There's a reason why 60 percent of Americans and rising, are questioning the official thesis, and there is much foundation to the following quote by Dr Alan Sabrosky:

***What we need to stand up and say is not only did they attack the USS Liberty, they did 9/11. They did it. I have had long conversations over the past two weeks with contacts at the Army War College, at its headquarters, Marine Corps and I made it absolutely clear in both cases that it is 100 percent certain that 9/11 was a Mossad operation. Period. – Dr Alan Sabrosky – PhD, University of Michigan, former Director of Studies at the Army War College.***

The perspective instilled in me from my family members would persist until three years later, at the age of 15, I would make another breakthrough. Quite innocently researching into the Holocaust for a school assignment, which was to make a documentary on the event detailing the causes. I would stumble across the works of David Irving and David Cole, the latter of whom is Jewish and both of which are Holocaust Revisionists.

I thus adopted a Revisionist standpoint and wrote the script for my documentary citing revisionist sources. A series of events would transpire, the script would be rejected, I had to attend the school psychiatrist, and was unsuccessfully indoctrinated by the head of religion at the school every Friday. Subsequently I had to spend my lunchtime in his office. I will not disclose this individual's name but I strongly suspect he was Jewish, and he had a strikingly similar caricatured visage to the American Israeli dual citizen and politician Douglas Feith. The said teacher spoke of his many trips to Israel and trips to the Yad Vashem Holocaust Memorial Museum.

What was supposed to be a mutual exchange of information, where we both were to seek the truth, turned into one sided lectures. He was well versed in Revisionism, so it is beyond me why he could possibly attempt to cause me to deviate from my path. When I mentioned the works of Fred Leuchter his response was: ***Engineering without a license!***; when I mentioned David Irving – ***forged Historical documents!***; David Cole – ***He recanted!***.

Now if the reader is not familiar with these individuals it will make sense down the line. Needless to say that the latter assertions in no way debunk the findings of these individuals and their scientific and common sense arguments; shared by all Revisionists. When we Revisionists are not censored we are slandered and our character degraded, the messenger is always attacked but never the merits of his message.

I would stand by my convictions and not submit to this teacher or his avalanche of rubbish, fighting back the impulse to punch him in the face on several occasions. I would eventually leave the school. Some of you may think its absurd that one could be sent to the psychiatrist or have his opinion rejected. But this is not as absurd as the fact that you will go to jail in 17 different countries for questioning the Holocaust!

Why do people deny the Holocaust and why can questioning it land you in jail in over 17 different countries? It is because the official Holocaust story cannot withstand critical enquiry! The answers to the latter two questions will be answered herein provided the reader has an open mind and is willing to seek out the truth – wherever it may lead. Truth is not a matter of opinion; truth is a matter of fact and the foundation of any healthy society. Dr Frederick Töben's analogy separating the concepts of truth and opinion articulates this dichotomy superbly:

***If you have an engineer who tells lies and fiddles the books by measuring and cutting corners and doing all sorts of things, what will happen to the bridge that he builds? What will happen to the building he builds? It will collapse. In our society as soon as the truth concept is thrown out...***

The same thing essentially happens. The degradation and destruction and collapse of society ensues. Look around you, where is the truth? Is it spoken by your politicians who incessantly lie and don't deliver on promises? Who plunge us deeper into debt and annually make us more destitute, slowly chipping away at the middle class, raising taxes and increasing the retirement age? These people are morally bankrupt, the truth is not one of their values, politicians are nothing but prostitutes for corporations and high finance.

Is the truth found in the mainstream media that sold you the wars in Iraq and Vietnam? The pretext for the Vietnam war being the alleged Gulf of Tonkin Incident, which is now acknowledged even by the US government to be an absolute lie! So over 50,000 American servicemen and millions of Vietnamese died based on a lie! And this is even admitted! We move to the war in Iraq wherein it was claimed Saddam Hussein had weapons of mass destruction; the media whores began to beat the drums of war; subsequently Iraq would be invaded and two million civilians killed, including 500,000 children to sanctions alone....and guess what? No WMDs were ever found! Because they never existed!

The injustices and corruption can be seen by those who seek the truth. The tragedies, the suffering that develops in the world are a direct consequence of the ignorance of the masses, and the fact that most people wouldn't know the truth if it hit them on the head. I am not a conspiracy theorist but rather a conspiracy realist. Again I must stress, if you cannot accept or entertain the possibility that there are people in positions of power and influence capable of criminal behavior, then you're the crazy one. Not me, you deserve to be laughed, scorned and cringed at, not I.

***Those who can see beyond the shadows and lies of their culture will never be understood let alone believed by the masses – Plato***

The truth about the alleged Jewish Holocaust is not the reason for this article, the more important and overarching issue at hand is freedom of expression, which is currently being denied to us. As the famous French philosopher Voltaire is quoted as saying, and once himself having been a victim of the thought police:

***I do not agree with what you have to say, but I'll defend to the death your right to say it – Voltaire***

I dedicate this article to the many Holocaust Revisionists, past and present, who continue to be incarcerated, killed and harrassed because they speak the truth. Among them:

**Above, Austrian Chemical Engineer Wolfgang Fröhlich currently serving 13-year sentence for "Denying the Holocaust".**

**Above, German Lawyer Horst Mahler, currently serving 11 years for "Opinion Crimes – defaming the memory of the dead" and asserting that "The official version of the Holocaust is the greatest lie ever perpetrated in human history."**

## **INSIGHTS OF THE OUTSIDER**

*Under the endless expanse of the dark obsidian skies,  
A fire burned to combat winters  
Crippling cold,  
There a young boy stared into his Father's eyes,  
Contemplating the stories told,*

*Son, do not feel disheartened for my message is profound,  
Know that only through principle and conviction  
True meaning in life is found,  
Rampant corruption and a sadistic agenda are destroying our world,  
It needs to be exposed and it needs to be unfurled.*

*Equipped with the Armor of anti-Semitism none dare criticize their destruction of this earth,  
Indeed, the puss from a festering wound exceeds this creature in worth.*

*They are neither victims nor weak,  
But rather guilty and powerful beyond belief,  
Ignore their victim stature; it is of a mundane illusory nature.*

*People throughout the ages knew what they were about,  
But with the advent of schooling and television the knowledge has faded out;  
The true intelligentsia and philosophers would all attest,  
But by means of indoctrination, the truth has been suppressed.*

*True knowledge now rests upon those whose numbers dwindle everyday,  
Persecuted, censored, killed, harassed and locked away;  
Their sacrifice is not in vain because they stand on truth,  
The balance now rests on you, the young enquiring youth.*

*Upon reflection of what his father had said,  
The young boy now a man understood what lied ahead,  
A mass shift of consciousness was needed on this earth,  
For the truth out-shadowed by lies is now all but dearth.*

*Will people ever listen?  
Will they ever know?  
He never saw his father again but understood now where to go.*

*Sticking to himself, humble, quiet and misunderstood,*

*He cared neither for materialism nor for personal gain,*

*Doing what every decent man should,  
But his efforts seemed to be in vain.*

*He asked his teachers to help him with the complication,  
But how could they help when their part of what's killing the nation.*

*He tried to express his inner thought, but that was not what he was taught.*

*Sick of the lies he turned his back on school mostly due to frustration,  
As Mark Twain famously said "Don't let schooling interfere with your education".*

*Surrounded by ignorant conformist Sheeple, Unconscious, unwilling and unable to see the criminal machinations,  
His only escape was the presence of like-minded people,  
Who helped him to deal with depression and frustrations.*

*Many who tried to help laughed and dismissed his convictions,  
Their mundane perceptions chiselled by limited restrictions;  
He remained persistent hoping the right ones would come around,  
For the mighty oak you see today, Was once a Nut,  
That decided to stand its ground.*

*Liberation from this system seemed to be out of sight,  
In a cesspool of corruption and ignorance, He was a beacon of light.*

### **THE JEWISH PERCEPTION**

It is first necessary to give the reader an insight as to what I would define as the Jewish perception of innocence and victimhood, which is ultimately frivolous, false and illusory. When you are raised in a culture that is dominated by a certain group of people and thus bombarded with messages designed to suit their interests, one develops a flawed perception of reality, a flawed perception of Jewish behavior. Jews are far from the powerless innocent persecuted victims that they are so often perceived as being, through the mediums which they control. It is not a conspiracy theory to assert that the Jews control Hollywood, the mass media or many world governments because they even admit to these facts and brag about it in their own publications.

## Jews DO control the media

We Jews are a funny breed. We love to brag about every Jewish actor. Sometimes we even pretend an actor is Jewish just because we like him enough that we think he deserves to be on our team. We brag about Jewish authors, Jewish politicians, Jewish directors. Every time someone mentions any movie or book or piece of art, we inevitably say something like, "Did you know that he was Jewish?" That's just how we roll.

We're a driven group, and not just in regards to the art world. We have, for example, AIPAC, which was essentially constructed just to drive

## Is Hollywood run by Jews? You bet!

Joel Stein Los Angeles

I have never been so upset by a poll in my life. Only 22 per cent of Americans now believe "the movie and television industries are pretty much run by Jews", down from nearly 50 per cent in 1994.

The Anti-Defamation League, which released the poll results last month, sees in these numbers a victory against stereotyping. Actually, if you shows how dumb America is, Jews totally run Hollywood.

How deeply Jewish is Hollywood? When the studio chiefs took out a full-page ad in the Los Angeles Times a few weeks ago to demand that the Screen Actors Guild settle its contract, the open letter was signed by Paramount Pictures chairman Brad Grey (Jewish), Walt Disney chief executive Robert Iger (Jewish), Sony Pictures chairman Michael Lynton (Jewish), Dutch Jew, Warner Bros chairman Barry Meyer (Jewish), CBS chief executive Leslie Moonves (so Jewish his great-uncle was the first prime minister of Israel).

**COMMENT**

I called ADL chairman Abe Foxman, who was in Santiago, Chile, where, he told me to my dismay, he was not hunting Nazis. He dismissed my whole "happen to be Jewish", as in "seven of eight major film studios are run by men who happen to be Jewish". But Foxman said he is proud

**The publication boasts of Jewish control over all the Hollywood movie studios and thus control of the majority of popular movies made. Pay attention in the future to how Jews are incessantly represented as powerless victims in Hollywood films. This is called brainwashing!**

Surely I should not have to stress the seriousness and how dangerous it is for any single group to wield absolute dominion over the mainstream media – something that moulds the minds of millions and is the propagandistic foundation for virtually every war of the past century. To sum up the latter two sources here is a direct quote from Joel Stein:

*As a proud Jew I want America to know about our accomplishments. Yes, we control Hollywood. I don't care if Americans think we're running the media, Hollywood, Wall Street or the government. I just care that we get to keep running them.* – Joel Stein, above, a Jewish Hollywood producer and writer for Time Magazine and other periodicals. From the LA Times 2008.

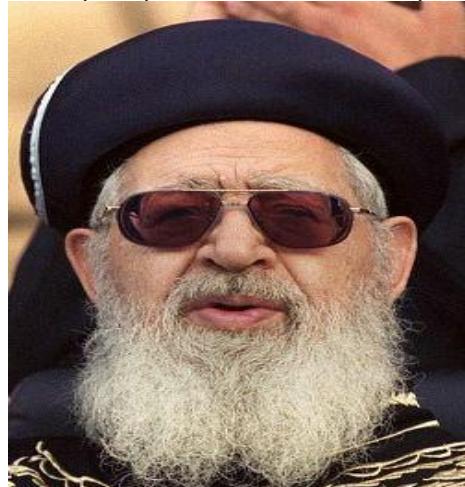

*We, the Jewish people, control America. And the Americans know it.* – Israeli Prime Minister Ariel Sharon, Kol Yisrael Radio, Oct 3, 2001.

Jews have been expelled from a total of 84 countries over 109 times. The reason lies at the heart of their supremacist ideology namely the **Babylonian Talmud**, the ethical bedrock of Judaism. The Jews believe they are morally, spiritually and intellectually superior to the non-Jews whom they call the "goyim", which literally means cattle. What do you do with cattle? You manipulate, milk and slaughter them. Jews believe they have a divine right to rule over the gentiles which is why they engage in power grabbing and ethnocentric behavior. They would have you believe that they are the victims of

spontaneous anti-Semitism which materialized from nowhere with no due cause.

Perhaps the words of Rabbi Ovadia Yosef will offer some insight as to why they have warranted many expulsions?

**Yosef, above, is on record stating:**

*Goyim were born only to serve us. Without that, they have no place in the world; only to serve the People of Israel, – Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat – With gentiles, it will be like any person: They need to die, but God will give them longevity. Why? Imagine that one's donkey would die; they'd lose their money. This is his servant. That's why he gets a long life, to work well for this Jew.* – reported by the Jewish Telegraph Agency on October 18, 2010.

On Palestinians he had the following to say:

*God should strike them with a plague, them and these Palestinians, evil, bitter, enemies of Israel. It is forbidden to be merciful to them, – You must send them missiles and annihilate them. They are evil and damnable.* – reported by Haaretz on August 29 2010.

Now Yosef is not some obscure example, his views are very much in the mainstream in Israel and all of Jewry. Rabbi Ovadia Yosef for instance was known as "The Rabbi for all Jews" and had one million mourners on the streets for his funeral. Pictures abound of him embracing Prime Ministers Benjamin Netanyahu and Shimon Perez. He had the "Shas Party" with eight members in the Knesset and even the post of Foreign Minister. He referred to non-Jews as less than cattle and had very venomous views, which he espoused to his huge following through religious sermons and other mediums. These words reflect and explain the barbaric treatment of the Palestinians and Israel's subsequent violation of over 70 United Nations resolutions.

Of course, the International Community never condemns Israel for their crimes against humanity no matter how obscene they are – year after year the violation of resolutions increases. Last year on the 8 July 2014 when Israel engaged in the wholesale massacre of civilians in what they called "Operation Protective Edge", British Foreign Minister, Sayeeda Warsi, resigned in disgust because of the inactivity and cowardice of the international community.

The Jews are the only people who have faced blanket expulsion and hostility in every land in which they have settled in any numbers.

The big question is Why? Hopefully this brief synopsis of information thus far presented is helping you to formulate a realistic answer. You must distance yourself

from current perceptions that have been ingrained into your psyche by the controlled mass media; you must remove the emotional hooks and delve into my world and bring your perceptions into accord with the facts. The wandering Jew has not changed since the time of Christ nor has their supremacist religious doctrine.

All the world suffers from the usury of the Jews, their monopolies and deceit. They have brought many unfortunate people into a state of poverty, especially the farmers, working class people and the very poor. *They (the Jews) work more effectively against us, than the enemy's armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in... It is much to be lamented that each state, long ago, has not hunted them down as pests to society and the greatest enemies we have to the happiness of America.*

**This prophecy, by Benjamin Franklin, was made in a "CHIT CHAT AROUND THE TABLE DURING INTERMISSION," at the Philadelphia Constitutional Convention of 1787. This statement was recorded in the dairy of Charles Cotesworth Pinckney, a delegate from South Carolina:**

*I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. The menace, gentlemen, is the Jews.*

*In whatever country Jews have settled in any great number, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which that nation is founded, by objecting to its restrictions; have built up a state within the state; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.*

*For over 1,700 years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live only among themselves. They must subsist on Christians and other people not of their race.*

*If you do not exclude them from these United States, in their Constitution, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land and change our form of government, for which we Americans have shed our blood, given our lives our substance and jeopardized our liberty.*

*If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude Jews for all time, your children will curse you in your graves.*

**HENRY ADAMS, 1838-1918**

Henry Adams of Massachusetts was a prolific author, political journalist, historian and member of the Adams political family; descended from President John Adams (his great grandfather) and John Quincy Adams (his grandfather). He was a Harvard graduate at a time when that still meant a lot. At Harvard, Adams studied Greek and Roman literature, mathematics, government, botany, astronomy, physics, and French.

In 1894, Adams was elected president of the American Historical Association. He became widely regarded as one of America's foremost intellectuals, again, at a time when the word "intellectual" still meant something. His posthumously-published memoirs, *The Education of Henry Adams*, won the Pulitzer Prize, and went on to be named by The Modern Library as the top English-language nonfiction book of the 20th century.

Adams's attitude towards Jews has been described as one of loathing. The noted American statesman John Hay, remarking on Adams's "Anti-Semitism", said that when Adams "saw Vesuvius (volcano in Italy) reddening... [he] searched for a Jew stoking the fire."

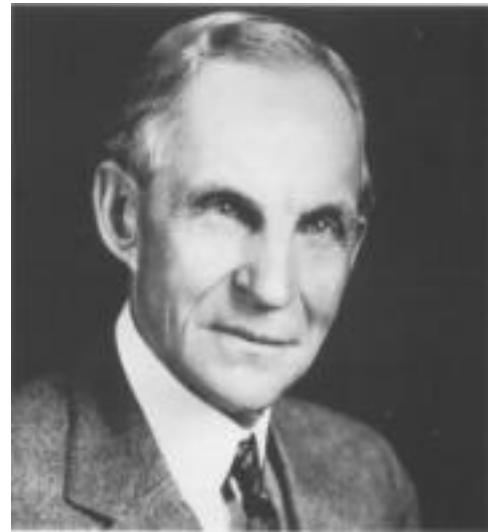

**Notable Quotes:**

*I detest [the Jews], and everything connected with them, and I live only and solely with the hope of seeing their demise, with all their accursed Judaism. I want to see all the lenders at interest taken out and executed. We are in the hands of the Jews. They can do what they please with our values.*

Adams advised against investment except in the form of gold locked in a safe deposit box:

*There you have no risk but the burglar. In any other form you have the burglar, the Jew, the Czar, the socialist, and, above all, the total irremediable, radical rottenness of our whole social, industrial, financial and political system.*

**HENRY FORD, 1863-1947**

By age 15, Henry Ford had taught himself how to dismantle and reassemble the timepieces of friends and neighbors, gaining the reputation of a watch repairman. The mechanical and visionary genius became America's leading industrialist and founder of the Ford Motor Company.

Ford pioneered the development of the assembly line technique of mass production, making cars affordable for the Middle Class. The increased productivity enabled Ford to pay his workers unusually high wages. During the 1920's, Ford published a series of essays under the title "*The International Jew: The World's Foremost Problem*".

**Notable Ford Quotes:**

*And if after having elected their man or group, obedience is not rendered to the Jewish control, then you speedily hear of "scandals" and "investigations" and "impeachments" for the removal of the disobedient. I know who caused the war (World War I) - the Jewish bankers! I have the evidence here. Facts!*

**THOMAS EDISON, 1847-1931**

Edison was the most prolific inventor of the 20th century. The "Wizard of Menlo Park" was also a first rate scientist and businessman. His creations include the stock ticker, battery for an electric car, phonograph, the motion picture camera, and the light bulb. Edison is also credited with having created the first industrial research

laboratory, developing electrical power for mass use (along with Tesla) and being awarded an incredible 1,093 U.S. patents. Edison was a very close friend and vacation companion to the "anti-Semite" Henry Ford. Though actual quotes cannot be found, we learn from Jewish sources that Edison did indeed share his buddy Ford's view of the "Big Jews". The great genius struggled for many years to keep the Jews from using his motion pictures without paying royalties. He eventually lost any control he had to the Jews who would later establish Hollywood.

**Notable Quotes:**

**Like his friend Henry Ford, Edison was virulently anti-Semitic and blamed the Jews for all of the world's major problems.** - [NNDB, Notable Names Data Base.](#)

(Israeli) Postal Authority officials were red-faced yesterday upon learning that Thomas Edison, the famous inventor, who is to appear on an Israeli stamp to be issued soon, is believed by some to have been an anti-semitic. The Postal Authority - informed of these claims by The Jerusalem Post - began to launch an investigation yesterday into the charge. Alleging that Edison was anti-Semitic are Stephen Ersati, a philatelic journalist in Ohio, and Ken Lawrence, vice President of the 56,000 member American Philatelic Society. - [J-Weekly / quoting the Jerusalem Post](#)

**EZRA POUND, 1885-1972**

Ezra Pound was, without a doubt, the pre-eminent American poet of the 20th century. The literary legend actually mentored Ernest Hemingway, TS Elliot, Robert Frost, and other great writers. Pound's best-known works include *Ripostes* (1912), *Hugh Selwyn Mauberley* (1920) and his unfinished 120-section epic, *The Cantos*.

Having become disillusioned with America and England, Pound moved to Mussolini's Italy and also praised Hitler's achievements. Pound was never shy about expressing his feelings towards the Big Jews who he blamed for both World Wars.

**Notable Quotes:**

*You let in the Jew and the Jew rotted your empire, and you yourselves out-jewed the Jew. And the big Jew rotted every nation he has wormed into.*

*Your infamy is bound up with Judea. You can not touch a sore or a shame in your empire but you find a Mond, a*

**BOBBY FISCHER, 1943-2008**

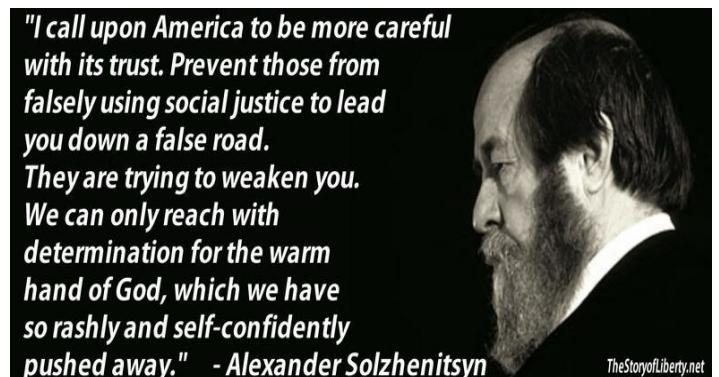

Bobby Fischer was an American chess grandmaster and World Chess Champion. He is considered by many to be the greatest chess player who ever lived. Starting at age 14, he played in eight U.S. Championships, winning each by at least 1 point. At 15, Fischer became the youngest grandmaster and candidate for the World Championship. Still only 20 years old, he won the 1963-64 U.S. Championship with the only perfect score in the history of the tournament.

Fischer was very outspoken in his condemnation of the Zionist conspirators controlling America. Like Ezra Pound, Fischer also became an 'ex-pat', relocating to Japan.

**Notable Quotes:**

*My main interest right now is to expose the Jews. This is a lot bigger than me. They're not just persecuting me. This is not just my struggle; I'm not just doing this for myself... This is life and death for the world. These God-damn Jews have to be stopped. They're a menace to the whole world.*

**ALEXANDR SOLZHENITSYN, 1918-2008**

Solzhenitsyn was not only a Russian novelist and noted historian, but also a survivor of Stalin's Gulag. His *Gulag Archipelago* remains an International Classic. He was awarded the Nobel Prize in literature in 1970 and was finally expelled from the Soviet Union in 1974. He has been honored by some of the top universities in the West. Towards the end of his life, some of Solzhenitsyn's more controversial "anti-Semitic" writings never saw the light of day in the West. In "200 Years Together", and other essays, the great writer cryptically alludes to a

worldwide Jewish conspiracy behind the Bolshevik takeover and oppression of Russia.

#### **Notable Quotes:**

*You must understand that the leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse.*

*More of my countrymen suffered horrific crimes at their blood stained hands than any people or nation ever suffered in the entirety of human history. It cannot be overstated. Bolshevism committed the greatest human slaughter of all time. The fact that most of the world is ignorant or uncaring about this enormous crime is proof that the global media is in the hands of its perpetrators.*

Would you believe that over 109 countries and their intelligentsia dating back over 2000 years suffered from what the Jews would have you believe as spontaneous and baseless anti-Semitism? Do the six men, mentioned above, who were all without parallel in their respective fields, deserve any credibility in what they have said about Jews? Are the "anti-Semitic" opinions thus far expressed a result of Jewish behavior and religious theology? Is this the form of behaviour that has caused 109 expulsions? Is it easier to believe that Jews were expelled owing to blind baseless anti-Semitism that just poofed into existence, or would it make more sense that owing to their belligerent attitude towards society and pompous assertions of superiority, Jews received backlash? The word "Anti-Semite" is merely a feckless trick of conversation used to silence those with critical minds who speak the truth.

## **WORLD WAR II**

***It is untrue that I or anyone else in Germany wanted the war back in 1939. It was desired and instigated exclusively by those international statesmen who were either of Jewish origin or worked for Jewish interest. - Adolf Hitler April 29, 1945.***

---

To understand and obtain a holistic perspective on WWII one must first analyze WWI and the Treaty of Versailles. One must examine the Jewish hand in these events and thus will come to understand the Anti-Jewish sentiment that arose in Germany and allowed Hitler to become Chancellor in 1933.

---

#### **Adolf Hitler speech:**

*Once again the conspiracy of pitiful, corrupt political creatures and greedy financial magnates made its appearance for whom war is a welcome means to bolster*

*business. The international Jewish poison of the peoples began to agitate against and to corrode healthy minds. Men of letters set out to portray decent men who desired peace calling them weaklings and traitors, to denounce opposition parties as a "fifth column" in order to eliminate internal resistance to their criminal policy of war. Jews and Freemasons, armament industrialists and war profiteers, international traders and stockjobbers found political blackguards: desperados and glory seekers who represented war as something to be yearned for and hence wished for. Believe me, my Deputies; I feel an inner disgust at this type of unscrupulous parliamentarian annihilators of peoples and states. It's almost painful to me to have been chosen by Providence to give a shove to what these men have brought to its knees. It was not my ambition to wage wars, but to build up a new social state of the highest culture. And every year of war takes me away from my work. – Berlin, 19 July 1940.*

Adolf Hitler believed the Jewish powers of the time were money hungry tyrants who along with the freemasons - founded by Jews - financed and used wars as a means to bolster business. At the time most of the banks in Europe were privately owned by Jewish powers, mainly the Rothschild's, so financially empowered they were and still are. Often dismissed as an Anti-Semitic conspiracy theory, but is there truth and veracity to the Führer's statements?

The above Nazi propaganda poster corroborates the accusations in Hitler's speech, and also sheds light on another Hitler insinuation, which was that the Jews secretly controlled the Allied powers behind the scenes. When translated into English "Hinter den Feindmächten der Jude" it reads: "**Behind the Enemy powers, the Jew**". This poster is claiming that the Jews secretly controlled Russia, America and Britain behind the scenes. It was Hitler's belief that the Jews controlled these nations, he also believed the Jews were responsible for the Treaty of Versailles; he would refer to it as the "Great stab in the back".

Now do any of Hitler's accusations towards the Jews have any basis? A question that needs to be answered due to the fact Germany was the 109<sup>th</sup> time in history Jews were expelled from a nation under the pretext of being power-grabbing influence peddlers. Are we to believe that the Jews have been expelled from every country in Europe - many of them, such as Britain at least twice - because of foundationless anti-Semitism? Does the whole world just suffer from a mental disease periodically that leads to their expulsion or does it have something to do

with their attitude and behavior in these host nations? Did the Jews control Britain, America and Russia? Consult the following information. The answer will help form a better understanding of the pogroms to come. Hitler not only despised the Jews because he believed they aimed at world domination as is illustrated in the book, *The protocols of the Learned Elders of Zion*, he also believed Jews spawned Communism, an ideology that has claimed the lives of over 100 million people in the 20th century. Do these assertions hold any weight?

Consult the following quotations:

***The Jewish people as a whole will be its own Messiah. It will attain world domination by the dissolution of other races...and by the establishment of a world republic in which everywhere the Jews will exercise the privilege of citizenship. In this New World Order, the Children of Israel...will furnish all the leaders without encountering opposition...*** --Karl Marx in a letter to Baruch Levy, quoted in *Review de Paris*, June 1, 1928, p574.

\*

***We shall have a Jewish world government whether or not we like it, the question is only whether world government will be achieved by consent or by conquest.*** – James Warburg merchant Jewish banker.

\*

***I care not what puppet is placed upon the throne of England to rule the empire on which the sun never sets. The man who controls Britain's money supply controls the British Empire, and I control the British money supply.*** – Nathan Rothschild powerful Jewish banker.

\*

It cannot be denied that despite composing barely one percent of both the United States and British populations Jews had and still have immense financial power and a monopoly over all the major banks. The Rothschild family controls the bank of England and they were one of the four main Jewish families' instrumental in establishing the American Federal Reserve in 1913. The Rothschild's along with the Warburg's, Schiff's and Rockefeller's all of whom are Jewish control the Federal Reserve, which is not federal as it is privately owned. Henry Ford, founder of the Ford Motor Company, had the following to say about Jewish power in America:

***Jews have always controlled the business... The motion picture influence of the United States and Canada... is exclusively under the control, moral and financial, of the Jewish manipulators of the public mind.*** – The Dearborn Independent, 12-19 February 1921.

Ford goes on to say:

***The Jewish nation is the only nation that possesses the secrets of all the rest, there is no government in the world so completely at their service as America. "The British did this, the Germans did that, when it was the international Jew that did it." "The Americans are a sordid, greedy, cruel people." Why? Because Jewish money-power is centered here. The genius of the Jew is to live off people, not off land, nor off the production of***

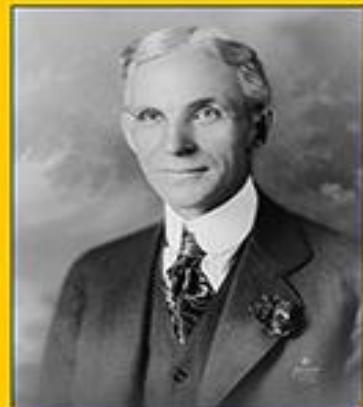

***commodities from raw materials, but off people. Let other people till the soil; the Jew will live off the tiller. Let other people toil at trades and manufacture; the Jew will exploit the fruits of their work: That is his particular genius. If this genius be described as parasitic, the term would seem to be justified by a certain fitness.***

\*

Henry Ford's opinion of the Jews has been quietly swept under the rug for some time. Now these facts form a strong basis for the Anti-Semitism that would eventually engulf Germany. It is often claimed that Jews were completely powerless and the anti-Semitism materialized from nowhere. It is clear that the Nazi propaganda poster has more basis in fact than one may believe. Hitler knew exactly about Jewish financial power and influence over the west, so much so that he even arrested a member of the infamous Rothschild banking Dynasty.

## **The International Jew — The World's Foremost Problem**

**Volumes I and II**

**By Henry Ford, founder of the Ford Motor Company, and the editors of THE DEARBORN INDEPENDENT.**

Jews certainly had immense power in both Britain and America, Hitler knew this. Nathan Rothschild boasted openly of controlling Britain and denounced the leadership and monarchy as puppets.

James Warburg made an equally self-incriminating comment stating that a Jewish New World Order is inevitable. Not only did they wield excessive power in the West but prior to Hitler's rise to power Germany was completely under the financial and political control of the Jews, and if it weren't for Hitler Germany surely would have been engulfed by Communism.

# Hitler arrested Baron Louis de Rothschild

Germany Reported Not Satisfied With \$600,000 for Release of Rothschild

LONDON, Aug. 20 (CP-Hava)—German authorities are not satisfied with a £120,000 (almost \$600,000) "ransom" offered for the release of Baron Louis de Rothschild and have demanded control of the Wittkowitz works, biggest industrial concern in Czechoslovakia, in addition to the money, according to The Daily Herald (Labor).

The Austrian Rothschilds offered the £120,000 for the release of the noted financier, held by the Nazis since Austro-German annexation, the newspaper said. The French branch of the family also declared itself willing to make a considerable contribution, it added.

## MAJORITY SHAREHOLDERS

The Austrian Rothschilds were said to hold 51 per cent of all the shares of the Wittkowitz concern. The remainder of the shares is owned by a Czech bank which purchased them from another Austrian family, the Gutmanns, for £6,000,000. The Daily Herald asserted.

The attitude taken yesterday by Magistrate Herbert McCalie when he sentenced three German refugees to six-month prison terms at hard labor for having illegally entered Great Britain was criticized by the press today.

Mr. McCalie declared: "The way stateless Jews from Germany are pouring in from every port of this country is becoming an outrage. I intend to enforce the law to its fullest."

## TALKING TOO MUCH

"It is recorded that when Mr. Metcalfe was sworn in as a magistrate he was advised against talking too much when it was his duty under the law, to hound homeless and helpless refugees, but he might try to do it with less obvious pleasure," The News Chronicle (Liberal) declared.

The Daily Herald also rebuked the magistrate:

"It does not seem altogether easy to reconcile either the language of such a sentence with the promise given last March by the Home Secretary of sympathetic consideration for those who, for political or religious reasons, have to leave their own country."

## GERMANY: Hitler v. Everybody

Monday, May 03, 1937

On New York's lower East Side 93 years ago, twelve public-spirited Jews, headed by one named Henry Jones, met in Sinsheimer's Essex Street barroom. Before the matzoth crumbs were swept away they had established a philanthropic society known as B'nai B'rith (Sons of the Covenant) to establish orphanages, run schools and convalescent homes. Originally a secret society, B'nai B'rith came into the open in 1920 with publication of its ritual. Today over 600 lodges of B'nai B'rith exist in 30 countries.

Last week armed German police smashed their way into Berlin's B'nai B'rith lodge, arrested the members, cleared out the premises...

## JEWISH DOMINATION OF PRE-HITLER GERMANY

The Daily Mail reported 10 July 1933:

**The German nation was rapidly falling under the control of alien elements. In the last days of the pre-Hitler regime there were twenty times more Jewish government officials in Germany as had existed before the war."**

The following information is from the booklet *Jewish Domination of Weimar Germany 1919-1932*: published in 1933 by The General League of Anti-Communist Associations Copyright by Eckart-Verlag, Berlin

In the German nation in 1933 there was a populace of roughly 60 million, among them some 500,000 Jews. Making them barely 1 percent of the population, yet their control and influence over the nation was tremendous.

**Dr Magnus Hirschfeld a Jewish man who commercialized sexual science – page 12.**

Perhaps unknown to the reader Jews have always been at the forefront of pushing Homosexuality and Pornography. When the moral barrier of society is breached and the populace is overcome by degeneracy they become further fragmented; thus easier to control. Over 90 per cent of male pornstars and porn companies are or are owned by Jews. Just as it was in the days Hitler sought to seek power and liberate Germany from what he saw as a degenerate and destructive influence. When he eventually did the infamous "book burnings" engaged in by the Nazis, these were primarily pornographic books and communist propaganda, among other Jewish literature.

**The Jewish Al Goldstein, huge porn pioneer in the United States is quoted as saying:**

**"The only reason that Jews are in pornography is that we think that Christ sucks." ~ Al Goldstein publisher of Screw Magazine.**

**Hugh Hefner is the Jewish owner of Playboy**

Henry Ford had a lot to say concerning Jewish power in Germany, keep in mind this verbiage was published in the 1920s well before Hitler's rise to power. It is believed by the average uninformed person that Hitler's allegations and accusations levelled towards the Jews were simply the musings of a maniac. But many famous people including Ford would attest to these things.

\*

### ***The International Jew***

#### **Volumes I-II by Henry Ford:**

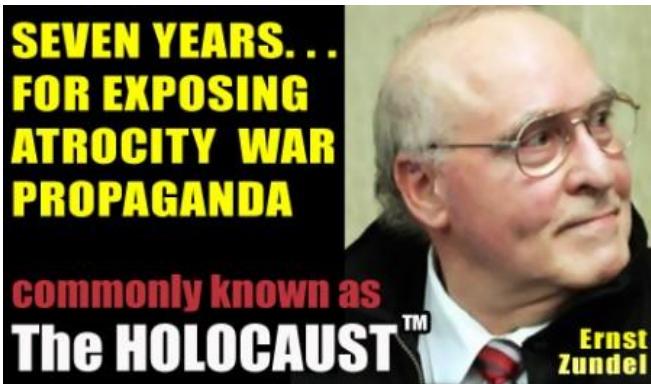

***Germany is today, with perhaps the possible exception of the United States, the most Jew-controlled country in the world – controlled within and from without – and a much stronger set of facts could be presented now than was presented in the original article (the facts of which were first denied and later admitted by the Jewish spokesmen in the United States). For, since that article was written, public sentiment in Germany has swept the Jews largely out of office. German public opinion exerted itself to the utmost to put German political administration back into German hands. But did that liberate Germany from the Jews? Not at all. For their entrenchments stretched further and deeper than mere display of official power. Their hold on the basic industries, the finances, the future of Germany has not been loosened in the least. It is there, unmovable. In what that hold consists, the reader will be told at some convenient time. – page 117***

***The main source of the sickness of the German national body is charged to be the influence of the Jews, and although thus was apparent to acute minds years ago, it is now said to have gone so far as to be apparent to the least observing. The eruption has broken out on the surface of the body politic, and no further concealment of this fact is possible. It is the belief of all classes of the German people that the collapse, which has come since the armistice, and the revolution from which they are being prevented a recovery, are the result of Jewish intrigue and purpose. They declare it with assurance; they offer a mass of facts to confirm it, they believe that history will provide the fullest proof" .... "Therefore, the Jew hated the German people; therefore, the countries of the world which were most dominated by the Jews showed the greatest hatred of Germany during the recent regrettable war. Jewish hands were in almost exclusive control of the engines of publicity by which public opinion concerning the German people was molded. The sole winners of the war were Jews. – page 14***

And perhaps Fords most powerful quote that helps us contextualize Hitler's convictions and the anti-Semitism that arose in Germany:

***Go the length and breadth of Germany today, see the reports, study the temper of the people, and you will discover that the abuse of power by the Jews has burned across Germany's memory like a hot iron. – page 13.***

German born Canadian Holocaust Revisionist Ernst Zündel served 7 years for challenging the facts of the Holocaust story. He had the following to say about Hitler and Jewish power in Germany - taken from an interview with an Israeli Journalist:

*Part of the Holocaust problem is we always start by discussing what the Germans did to the Jews. Why did Hitler convince the majority of Germans to vote for him? And to be loyal to his regime? And the phenomenon when Germany was in ruins by the Allied genocidal bombing campaign did the Germans not turn on their leaders? Nobody has ever analyzed why the German nation that had more Nobel prize winners, more famous research scientists, was one of the best educated countries in Europe; turned on the Jews? Why did these good Germans turn on the Jews? Who had more Jews living amongst them percentage wise than any other country. Why? Because they displayed the same voracious ethnocentrism, power grabbing, influence peddling, buying of politicians, dominating of the public airwaves and media in Germany that they now display in the West. Adolf Hitler was an organic outgrowth of Jewish behavior and Jewish ethnocentrism in the heart of Europe. Jews created Hitler.*

\*\*\*

Now this information clearly shows a domineering Jewish role in Germany pre-Hitler and the National Socialists. One just needs to read the latter quotations which warrant extreme Jewish influence. Jewish international attachments and with Communist persuasions had successfully insinuated themselves into the German administrative system. In 1933 as the new National Socialist government is removing these Jews from influential positions, the worldwide Jewish boycott of German goods begins. The German boycott of Jewish business concerns came in April 1933, only after the Jewish declaration of war was announced earlier in March.

The above Daily Expresses headline openly acknowledges

the economic war the Jews had declared on Hitler's Germany.

This is why the Germans boycotted Jewish shopkeepers and painted swastikas on their stores – the Jews were strangling Germany economically.

Not only did immense Jewish power in the nations that would eventually crush Germany constitute anti-Semitism, but also the role Jews played at Versailles, which I shall later detail. The most telling piece of evidence that explains the rise of anti-Semitism in Germany, I found in a book called ***Germany Must Perish!*** written by an American Jew, Theodore N. Kaufman. Published in 1941 before America's involvement in the war and before the allegation of any German extermination program against Jews, the preface states:

\*

***This dynamic volume outlines a comprehensive plan for the extinction of the German nation and total eradication from the earth all her people. Also contained herein is a map illustrating the possible dissection of Germany and the apportionment of her lands.***

\*

The above picture is taken from book concerning proposed land dissection of Germany after the Germans had been wiped out.

Theodore N. Kaufman advocates in this book the genocidal sterilization of all Germans as a quote "Final Solution" in 1941 in his book, ***Germany Must perish!*** Ironically, this was well before any allegation of a Final Solution perpetrated by Germans against Jews came about, yet here we have a Jew advocating a Final Solution towards Germans.

Here are some relevant quotes from this book:

"I feel no more personal hatred for these people (the Germans) than I might feel for a herd of wild animals or a cluster of poisonous reptiles. They have lost the wish to be human beings. They are but beasts, they must be dealt with as such - p16. There is only one way to frustrate such a desire: the goal of world dominion must be removed from the reach of the German and the only way

to accomplish that is to remove the German from the world - p28. The vicious virus of Germanism had been injected into the life stream of the public, and the Germans awaited the epidemic, which they felt must sooner or later infest the world - p45.

\*

**A final solution: Let Germany be policed forever by an international armed force? Even if such a huge undertaking were feasible life itself would not have it so. There is, in fine, no other solution except one: That Germany must perish forever from this earth! - p88.**

\*

**There remains now but to determine the best way, the most practical and expeditious manner in which the ultimate penalty must be levied upon the German nation. Quite naturally, massacre and wholesale execution must be ruled out. In addition to being impractical when applied to a population of some seventy million, such methods are inconsistent with the moral obligations and ethical practices of civilization. There remains the but one mode of ridding the world forever of Germanism – and that is to stem the source from which issue those war lusted souls, by preventing the people of Germany from ever again reproducing their kind. This modern method, known to science as Eugenic sterilization, is at once practical, humane and thorough. Sterilization has become a by word of science, as the best means of ridding the human race of its misfits: the degenerate, the insane the hereditary criminal. - p86-88.**

## THE KOSHER CONFERENCE

Even the conformist historians admit that *The Treaty of Versailles* was a huge political mistake. That it was completely unjust, biased and responsible for much of the hatred that would rankle with the Germans. But the word mistake implies no deliberation, when in fact in the realm of politics and world events everything without exception is planned and orchestrated. The bad things that happen are indeed intended for specific geopolitical goals, Versailles was no exception. Quite unsurprisingly the forces behind the Treaty of Versailles were of Jewish and Freemasonic origin. Freemasons are the lapdogs of the Jews, but of course they don't know that.

**Masonry is based on Judaism. Eliminate the teachings of Judaism from the Masonic ritual and what is left?" - The Jewish Tribune, New York, Oct. 28, 1927, Cheshvan 2, 5688, Vol. 91, No. 18.**

British Prime Minister Lloyd George remarked the

following concerning the Versailles Conference, having personally attended the sham he wrote: ***The international bankers (Jewish Zionists) swept statesmen, politicians and journalists all to one side and issued their orders with the imperiousness of absolute monarchs.***

**Also from Captain Archibald Maule Ramsay's book – former member of British parliament and close advisor to former British PM Neville Chamberlain – *The Nameless War*:**

*All important decisions were taken by the "Big Four" - Britain, France, Italy and the U.S.A., represented respectively by Mr. Lloyd George, M. Clemenceau, Baron Sonino and President Wilson. So much is known. What is not known is that: the secretary of Mr. Lloyd George was the Jew Sassoon; of M. Clemenceau the Jew Mandel Rothschild, now known as Mandel; Baron Sonino was himself a half Jew: and President Wilson had the Jew Brandeis; the interpreter was another Jew named Mantoux; and the Military Adviser yet another Jew called Kish. It is known that Mr. Lloyd George and others were hazy about geography. Their Jewish secretaries, however, were on the contrary very much on the spot on such matters. These Jews met at 6 p.m. in the evenings; and mapped out the decisions for the following day's conference of the "Big Four.*

The following is a summary of a speech made by former Jewish Zionist Benjamin Freedman at the Willard Hotel in Washington DC 1961, concerning the WWI Betrayal of the German people. It is taken from Australian Revisionist Dr Frederick Töbens documentary; *Judea declares war on Germany*:

*Mr Freedman knew exactly what he was talking about because he was an insider at the highest levels within international Jewish organizations and a personal friend of at least four United States presidents. He was also a member of the 117 strong Zionist delegation at the signing of the Versailles peace treaty, in Paris in 1919. Where Germany was forced into bankruptcy and social chaos. Mr Freedman says that two years into WW1 Germany then which was winning the war offered Britain and France a negotiated Peace deal. But German Zionist groups seeing an opportunity made a deal with Britain to get the United States into the war if Britain promised to give the Jews Palestine. The British agreed. Using blackmail, the United States Zionists brought great pressure to bear on President Wilson and the United States entered and won the war for Great Britain and France. The British as promised signed the Balfour declaration, which gave Palestine to the Jews.*

**Henry Ford had the following to say about Jewish influence and control at the Versailles Peace Treaty - pages 245/246:**

*This, then, is a sidelight on what has been called the "Kosher Conference," a name given to the Peace Conference by Frenchmen who were astounded to see thousands of Jews from all parts of the world appear in*

*Paris as the chosen counselors of the rulers of the nations. Jews were so conspicuous in the American mission as to excite comment everywhere. A Persian representative left on record this protest: "When the United States delegation accepted a brief for the Jews and imposed a Jewish semi-state on Rumania and Poland, they were firm as the granite rock, and no amount of opposition, no future deterrents, made any impression on their will. Accordingly, they had their own way. But in the case of Persia they lost the fight, although logic, humanity, justice, and the Ordinances solemnly accepted by the Great Powers were all on their side." "The comment is rather humiliating. But it is true. The Jewish World Program was the only program that passed through the Peace Conference without hindrance or revision. So numerous and ubiquitous were the International Jews in Paris, so firmly established in the inner councils, that the keen observer, Dr. E. J. Dillon, whose book, "The Inside Story of the Peace Conference" (Harper's), is the best that has appeared, was constrained to say this: "It may seem amazing to some readers, but it is none the less a fact, that a considerable number of delegates believed that the real influences behind the Anglo-Saxon peoples were Semitic." (p.496.) And again: "They confronted the President's proposal on the subject of religious inequality, and, in particular, the odd motive alleged for it, with the measures for the protection of minorities which he subsequently imposed on the lesser states, and which had their keynote to satisfy the Jewish elements in Eastern Europe. And they concluded that the sequence of expedients framed and enforced in this direction were inspired by the Jews, assembled in Paris for the purpose of realizing their carefully thought-out program, which they succeeded in having substantially executed. However right or wrong these delegates may have been, it would be a dangerous mistake to ignore their views, seeing that they have since become one of the permanent elements of the situation. The formula in which this policy was thrown by the members of the Conference, whose countries it affected, and who regarded it as fatal to the peace of Eastern Europe, was this: "Henceforth the world will be governed by the Anglo-Saxon peoples, who, in turn, are swayed by their Jewish elements." (p.497)*

**Above, a Nazi propaganda poster depicts Jews stabbing Germany in the back. This is referring to Versailles & WW1.**

Ford further states:

**Two delegates sent to the Peace Conference were Jews and a third was notoriously the tool of Jewish purposes. In addition, Jews swarmed through the German delegation as experts and advisors – Max Warburg, Dr. Von Strauss, Merton, Oskar Oppenheimer, Dr. Jaffe, Deutsch, Brentano, Bernstein, Struck, Rathenau, Wassermann and Mendelsohn-Bartholdi.**

**As to the part which the Jews from other countries had in the Peace Conference, German observers declare that any candid student may discover by reading the accounts of impartial non-Jewish recorders of that event. Only the non-Jewish historians seem to have been struck by the fact; the multitude of Jewish writers apparently judged it wise to conceal it.**

**Jewish influence in German affairs came strongly to the front during the war. It came with all the directness and attack of a flying wedge, as if previously prepared. The Jews of Germany were not German patriots during the war, and although this will not appear a crime in the eyes of the nations who were opposed to Germany, it may throw some light on the Jew's assertion of patriotic loyalty to the land where he lives.**

## THE CODIFICATION OF COMMUNISM

Who was behind Communism from its ideological origins to brutal seizure of power in Europe? Who murdered upwards of 80 million in Communist Russia's Gulags and mass liquidations? Who starved upwards of 10 million to death in the Ukrainian Holodomor? Have you even heard of the Holodomor? Who murdered Tsar Nicholas the II and his entire family in cold blood. They raped his wife and daughters, burned their bodies, dumped them into vats of acid and threw them down a mineshaft – who? Whose hands are stained with the blood of easily 100 million people in the last century alone?

And how did they get away with it? A genocidal death toll that far surpasses the alleged 6 million of the Holocaust! Who encouraged the mass rape of tens of millions of German and East European women, elderly, and children by the Red Army? War crimes that would never be recognized at Nuremberg. They murdered all of these people, committed all of these crimes, then they hung up their Commissar uniforms and went on to collect reparations for something that never happened. Indeed, something that never happened, but more on that later.

### Russia's Agony by Robert Wilton

**The London Times' correspondent in Russia provided the first western eyewitness account of the monumental events which resulted in the creation of the Soviet Union. Wilton provides a full historical background and the disastrous course of World War One for Russia, which sets the scene for the seizure of power by the Bolsheviks. He then details the Red Terror's full enormity, and ends with the optimistic – and incorrect – hope that Bolshevism would be short lived. Although Wilton's credentials were impeccable and his status unchallenged, this book was blacklisted because he dared to report openly on the overwhelming number of Jews amongst the Communist revolutionaries.** – Blurb of Russia's Agony by Robert Wilton.

Notable Quotations on rear of Book:

**Moreover, the Press, almost entirely in Jewish hands, has gone over to the Soviet, and moderate organs that would not publish the Soviet proclamations glorifying spoliation and promoting Anarchy had been summarily 'expropriated' on behalf of newly founded Socialist publications.**

\*

**The revolutionary pseudo- Jews were thus destroying Russia's hopes of a national revival and dragging the country into disaster.**

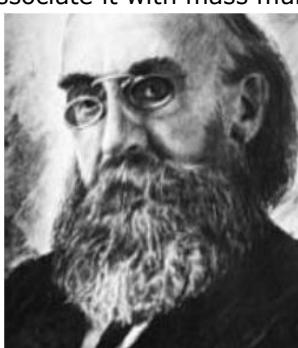

\*

**On March 26th I reported from Riga on the pernicious influence of Jewish Extremists. But this appeal to moderation was willfully distorted by the Jewish Press. Facts cited to me on the best authority were "proved" to be non-existent, and a campaign of slander and intimidation followed. Now, I was threatened with nothing less than murder.**

*In modern times, however, the Jew has found a means of knocking down the walls and throwing the whole national house into confusion, and in the darkness and riot that follows, seize the place he has long coveted. When Russia broke, who came first to light? Kerensky, who is a Jew. But his plans were not radical enough, and then came Trotsky, another Jew. Trotsky found the system too strong for him to break in America – he broke through the weak spot in Russia and would extend that weakness round the world. Every commissar in Russia today is a Jew.* – Henry Ford from his book, *The International Jew* page 17.

**Gengrikh Yagoda** was the greatest Jewish murderer of the 20<sup>th</sup> Century, the GPU's deputy commander and the founder and commander of the NKVD. Yagoda diligently implemented Stalin's collectivization orders and managed the Gulag system. He is responsible for the deaths of at least 10 million people. Gengrikh Yagoda murdered almost twice the number of people alleged by Adolf Hitler, but although Jewish scholars realize this fact, not 1 in 1000 gentiles (non-Jews) even know his name and can much less associate it with mass murder.

**Kurt Eisner** - Jewish leader of the Bavarian red revolution. First president of the Bolshevik regime.

**Ernst Toller** - Jewish second president of the Bolshevik republic.

**Eugene Levine** - Fanatical Jewish Communist. Established the Bavarian red army and unleashed a "Red Terror".

**Gustav Landauer** - Jewish anarchist & main ideological leader

**Karl Marx** – the Jewish ideological father of Communism. Co-Author of the *Communist Manifesto*. Descended from a long line of Talmudic rabbis. Marx openly encouraged genocide of Slavs, referring to them as "racial trash" and that they must "perish in the revolutionary Holocaust"

**Moses Hess** – Jewish, personal mentor and friend of Karl Marx. Credited as being a major philosophical leader of the early socialist movement and the early Zionist movement. Hess claimed, "Judaism alone holds the Key".

**Max Warburg and Jacob Schiff** – The two most powerful Jewish Zionists and Wall Street bankers from the beginning of the 1900s. Warburg was chief architect of the Federal Reserve System. The largest financial contributors to the Bolshevik revolution, Schiff and Warburg gave Lenin and Trotsky over 20 million dollars in order to strengthen the Red Army. They also funded the Japanese military during the Russo-Japanese war.

**Yakov Sverdlov**– Jewish, head chairman of the people's first people's commissariat, one of five chairmen of whom were also Jewish. Lenin considered making him his successor. He, along with Lenin, ordered the execution of the Czar Nicholas II, his wife and their five children.

**Moisei Solomonovich Uritsky** – Jewish central chairman of the first people's commissariat. Uritsky had been a one-time member of the Jewish Bund and the Menshevik minority party. He was a guiding Leninist figure during the October revolt and latter became leader of the Cheka.

**Nikolai Yezhov**– Jewish head of the NKVD after Yagoda. From 1937 to 1938, the population of Gulag prisoners tripled under Yezhov.

**Karl Liebknecht and Rosa Luxemburg**– top leaders of the Communist party of Germany. Both were Jewish and guiding Marxist revolutionaries during the Spartacus uprising of 1919 in Berlin. Liebknecht once stated: *The Bolshevik revolution was to an unprecedented degree the cause of the whole world becoming more revolutionary.*

**Leon Trotsky, real name Bronstein, and Vladimir Lenin**– both murderous Jewish dictators in Russia fundamental to the Bolshevik takeover.

This following quotation is taken from Gulag survivor, best selling author and Nobel Prize winner Aleksandr Solzhenitsyn:

**You must understand the leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse. The October revolution was not what you call in America the 'Russian Revolution' it was an invasion and conquest over the Russian people. More of my countrymen suffered horrific crimes at their bloodstained hands than any people or nation ever suffered in the entirety of human history. It cannot be**

**overstated. Bolshevism committed the greatest human slaughter of all time. The fact that most of the world is ignorant and uncaring about this enormous crime is proof that the global media is in the hands of the perpetrators.**

British Captain Archibald Maule Ramsay in his book *The Nameless War* described the Jewish domination of Russia as follows:

**As for anyone who does not know that the present revolutionary Bolshevik movement in Russia is Jewish, I can only say that he must be a man who is taken in by the suppression of our deplorable Press.**

No doubt at this point the reader should have no queries as to who ran Russia behind the scenes because herein it is abundantly confirmed that the Jews ran Russia. Moreover, Hitler's assertions were correct and this is why he coined the phrase "**Jewish Bolshevism**". Stalin was just a non-Jewish figure head used to camouflage Jewish power, much like the current political leaders: Obama, Cameron, Merkel etc. Some sources suggest Stalin was a Jew himself. I have not detailed herein the brutal murder of the Tsar Nicholas II, his son, wife and daughters, who were raped, at the hands of the Jewish Bolsheviks. For a detailed first hand account of their death read, **Last Days of the Romanovs**, by Robert Wilton.

Above, Tsar Nicholas II and his family pose for a photograph. The Tsar was a very devout Christian and popular Monarch. His murder followed by the desecration and destruction of Russia's churches would not make sense had it been committed by Russian Christians.

Just take a moment to contemplate and reflect on the hell that was unleashed in Russia, which lead to well over sixty million deaths. Think about who is responsible, and how the Jews are engaging in the same process in Palestine. Now, as then, it is ignored; now, as then, it is whitewashed by the media, and now, as then, the controlled West doesn't bat an eyelid.

Above, the degenerate crypto Jewish band **The Rolling Stones**. Their success is no doubt due to their brethren who promote their degenerate music. To make it anywhere in music you must sell your soul and if you step out of line and speak the truth like John Lennon, Tupac Shakur or Michael Jackson you will be terminated. I advise the reader to apply the knowledge I have thus far imparted unto you and implore you to make sense of the following lyrics. Yet more admissions.

### **SYMPATHY FOR THE DEVIL** Lyrics by the Rolling Stones

**Please allow me to introduce myself  
I'm a man of wealth and taste  
I've been around for a long, long year  
Stole many a man's soul to waste**

**And I was 'round when Jesus Christ  
Had his moment of doubt and pain  
Made damn sure that Pilate  
Washed his hands and sealed his fate**

**Pleased to meet you  
Hope you guess my name  
But what's puzzling you  
Is the nature of my game**

**I stuck around St. Petersburg  
When I saw it was a time for a change  
Killed the Tsar and his ministers  
Anastasia screamed in vain**

**I rode a tank  
Held a general's rank  
When the blitzkrieg raged  
And the bodies stank**

**Pleased to meet you  
Hope you guess my name, oh yeah  
Ah, what's puzzling you  
Is the nature of my game, oh yeah**

## HOLOCAUST HISTORICITY

The official version of the Holocaust stands on three pillars that collectively support the overall narrative.

1. A deliberate policy on behalf of Hitler called the *Final Solution*, which was a plan to exterminate the Jews;
2. 6 million deaths;
3. Carried out in industrial scale genocide, mostly in gas chambers.

Any revisionist or person who contests any of these three aspects of the Holocaust is considered a Holocaust denier. Revisionists at large concede the gas chamber story to be wartime propaganda akin to the allegations of Jewish soap and skin lampshades.

Revisionists believe the figure of 6 million to be an irresponsible exaggeration, and finally that no order or decree was ever issued on behalf of the German government to exterminate Jews. I will discuss the three pillars of the Holocaust story and why people contest them as well as the authenticity of the confessions at Nuremberg and eyewitness testimonies.

But first a quote from Jewish Professor Dr Norman Finkelstein taken from his book *The Holocaust Industry*:

**' Much of the literature on Hitler's Final Solution is worthless as scholarship. Indeed, the field of Holocaust studies is replete with nonsense, if not sheer fraud. '** (p 55).

**' Given the nonsense that is turned out daily by The Holocaust Industry, the wonder is that there are so few skeptics '**. (p 68).

**The Holocaust Industry  
by Norman G. Finkelstein**

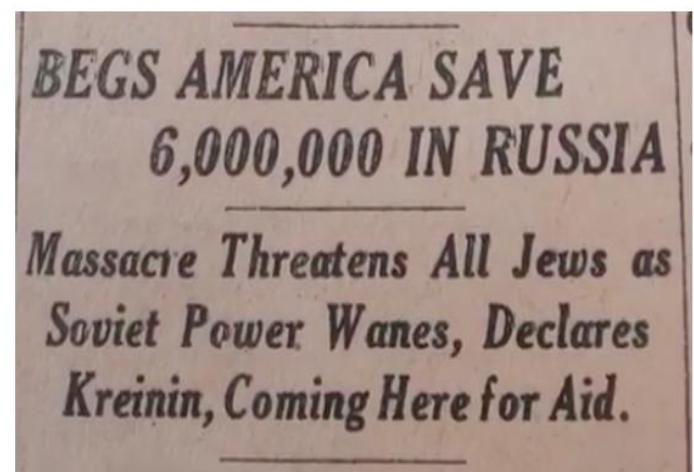

"When a well-packaged web of lies has been sold to the masses over generations, the truth will seem utterly preposterous and its speaker a raving lunatic." – Dresden James

## 6 MILLION JEWISH DEATHS?

Revisionists argue that the figure of 6 million is an irresponsible exaggeration and has no real basis in fact; they argue this for a number of reasons. Perhaps the biggest reason is the fact that a Holocaust of 6 million Jews was bemoaned well before Hitler ever set foot in a government.

## Dr. Paul Nathan's View of Russian Massacre

**S**TARTLING reports of the condition and future of Russia's 6,000,000 Jews were made on March 12 in Berlin to the annual meeting of the Central Jewish Relief League of Germany by Dr. Paul Nathan, a well-known Berlin publicist, who has returned from an extensive trip through Russia as the special emissary of Jewish philanthropists in England, America, and Germany, to arrange for distribution of the relief fund of \$1,500,000 raised after the massacres last Autumn.

Dr. Nathan paints a horrifying picture of the plight and prospects of his coreligionists, and forecasts at any hour renewed massacres exceeding in extent and terror all that have gone before. He left St. Petersburg with the firm conviction that the Russian Government's studied policy for the "solution" of the Jewish question is systematic and murderous extermination.

TROUBLE as conditions have been for the past five years among the destitute Jews of Eastern Europe, they have never been as appalling as they are at the present moment. With the coming of the winter, the effects of

Above, here we have the Auschwitz plaque that alleged the Nazis murdered four million Jews. Somewhat laughingly it was blessed by the Pope. Eventually it would turn out that over 3million were just figments of imagination. After all the Catholic Church is nothing more than a bastion of child molesting Freemasons and Jesuits keen to serve their Kosher overlords. In 1989 the four million plaque was removed largely thanks to German revisionist Ernst Zündel, and in 1993 replaced -

With the above plaque and a revised number of deaths - 1.5 million. This is a deduction of 2.5 million! Yet the overall figure of six million remains the same?

It's also worth noting the plaque has been revised many more times since 1989 and the alleged death toll is now claimed to be less than one million; this includes all internees and not just Jews. So the facts are there are newspapers printed well before the war bemoaning "6 million", "Holocaust" "extermination" and constant deductions of alleged deaths in the case of Auschwitz, where at least three million Jews have been taken out of the equation, how could the six million figure possibly stay the same?

As revisionist Mark Weber stated on the Montel Williams Show: **"Every Jewish person who died in the second world war of whatever cause is considered a victim of the Holocaust. This includes Jews who were killed in the Allied bombing campaigns. The six million figure is symbolic in nature it's repeated over and over, all sorts of things can change but the 6million will stay the same."**

It has no basis in fact whatsoever. Also another piece of evidence revisionists point to is the following statistics.

These statistics do not reflect a deduction of 6million in the world Jewish population.

Taken from Dr Fredrick Töben's documentary **Judea declares War on Germany:**

**World Jewish Population before and after WWII:**

**World Almanac 1940 p129 = 15,319,359**

**World Almanac 1949 p289 = 15,713,638**

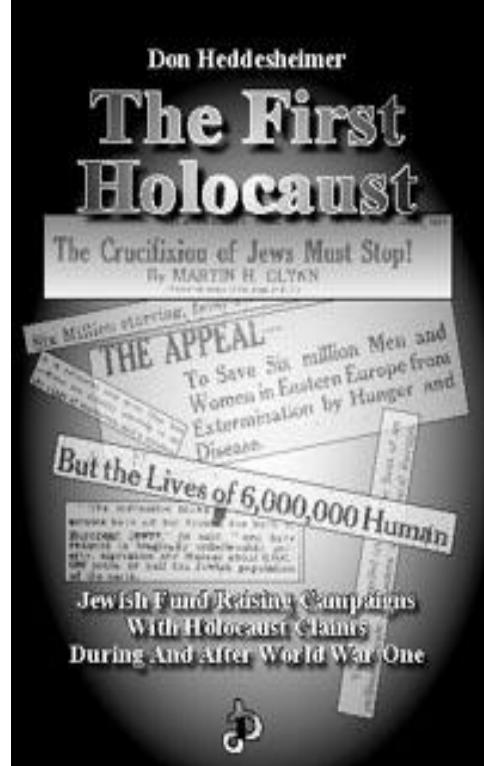

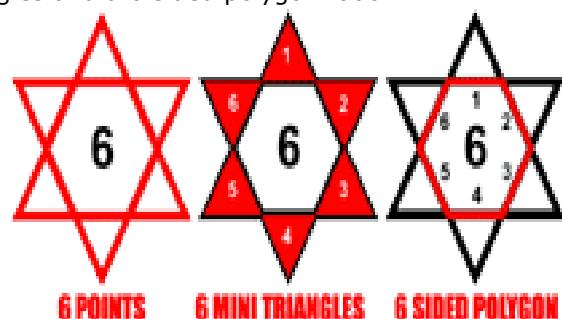

**World Almanac 1996 p646 = 14,117,000**

**American Jewish Committee Bureau of the Synagogue Council 1939 = 15,600,000**

**World Almanac USA 1947 = 15,690,000**

**Stat. Handbook of Council of Churches 1951 = 15,300,000**

The six million figure is rubbish, it is used because the number 6 is extremely significant in Jewish Cabballism and Jewish symbology. The number "6,000,000" evidently contains the number 6, followed by 6 zeroes'. If one is to analyze the Star of David it has 6 points, 6 triangles and a 6 sided polygon. 666

To conclude this section concerning the six million, for further research and a complete documentation of the newspapers contained herein. Check out the book **The First Holocaust**, where said facts are meticulously documented -

## THE ALLEGED GAS CHAMBERS

Revisionists argue that the buildings alleged to be gas chambers are simply unfit to carry out genocide. In 1988 during the infamous trial in Canada where Ernst Zündel a German revisionist took the Holocaust to court, he hired an American court-certified gas execution technology expert by the name of Frederick A Leuchter. Leuchter was a court certified expert in gas execution technology, he even designed and built three gas chambers in the United States used for the execution of criminals. He believed in the Holocaust but when he visited the alleged gas chambers in Poland and published his findings in *The Leuchter Report*, Leuchter changed his opinion and it was his expert conclusion that these buildings "could not have sustained gassings". Leuchter also did a number of scientific studies where he analyzed the brickwork and took samples from the alleged gas chambers at Auschwitz and also brickwork from the disinfestation gas chamber used for killing lice and had them independently analyzed by a chemical laboratory.

Above, we have Revisionist Germar Rudolf standing outside of the disinfestation chamber.

The cyanide concentration was 144 milligrams per 1kg of brickwork. A colossal concentration the tell-tale blue signs of Zyklon-B are evident; but remember these chambers disinfected clothing. It is not alleged anyone was killed in them. The work of German industrial chemist, Germar Rudolf, in his *The Rudolf Report* of 1993 greatly augments what *The Leuchter Report* pioneered.

Above we have Germar Rudolf inside of the disinfestation chamber where again signs and traces of Zyklon B are evident. 144 milligrams per 1kg of brickwork to be

precise. **Note:** disinfestation chamber used Zyklon B which is also alleged to have been used in the homicidal gas chamber.

This is the alleged homicidal gas chamber of Auschwitz-Stammlager

As you can see there are no visual stains of Zyklon-B. There is also no scientific trace of Zyklon B whatsoever, contrary to the 144 milligrams per 1kg of brickwork found in the disinfestation chambers. There are also no blue stains. Holocaust historians argue that it somehow dissipated over time, which is a chemical impossibility. Rudolf has since been stripped of his doctorate title, been routinely jailed, censored, hounded and harassed for speaking the truth.

(Remember Leuchter is a court certified expert in gas execution technology, having designed and built many gas chambers used for the execution of criminals)

In an interview Leuchter was asked the following:

**Interviewer:** "What aside from the samples convinced you that these facilities could not have been used then or now as execution facilities?"

**Leuchter:** "You must have gas tight doors, no windows, means of getting the gas in, means of getting the gas out. If those persons operating the facilities didn't gas themselves to death at the same time the executes died they certainly would have been blown to bits by the gas exploding from the heating of a light bulb or the gas approaching and getting into the crematory furnace. Were talking about brick and mortar buildings, without heat, with none explosion proof lighting, without gas tight doors and in some cases no doors at all. And with crematories that opened very close or adjacent to the facility. I mean it's just ludicrous to consider that these facilities could have been used as gas chambers."

Above Leuchter is standing in the 'gas chamber' of Auschwitz where a bright none explosion proof light is shining. Zyklon-B is a highly sensitive substance that when exposed to heat explodes.

Here Leuchter is waving a handkerchief through a window that is not sealed off at all, it has no glass or bars to prevent inmates or gas from escaping.

Here is the none-airtight gas chamber flimsy wooden door, which has a 2inch gap between the door and ground. The locking mechanism is on the inside and it has a glass window, which would have surely been smashed as a gassing allegedly took 10-15 minutes.

\*

Here we have the door to the disinfestation gas chambers used to combat the typhus epidemic. To the contrary they are airtight, are not made of flimsy wood but sustainable steel and lock from the outside not inside. So apparently the Germans constructed sophisticated and functional gas chambers for the inmates well being, and on the flip side created extremely dangerous ones to execute the very same prisoners.

Here we have the holes in the roof where Zyklon -B pellets were allegedly dropped. Revisionists argue they were crudely smashed in after the war by the soviets. Ernst Zündel at his trial presented several allied Arial photographs taken by American bombers and there were no holes in the roof and no chimney during the war. Therefor no means of getting the gas in or out.

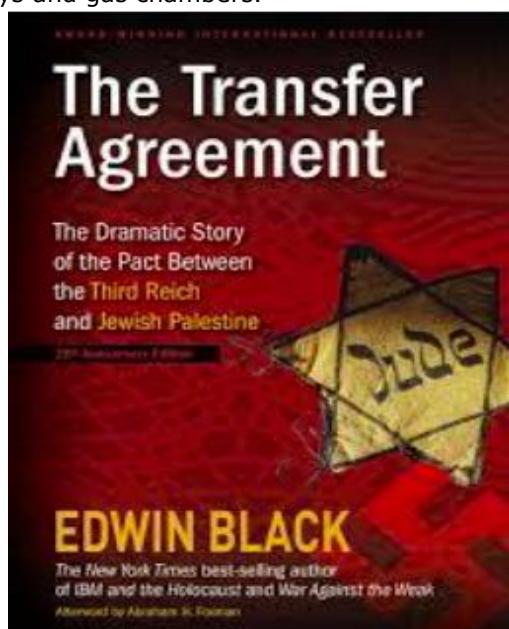

Above, the Auschwitz chimney built after the war, confirmed by aerial photographs. It is not even connected to the building and thusly does not function, which makes a mockery of people who spoke of huge bellowing flames as depicted in Hollywood movies.

Revisionist Dr Fredrick Töben points to the peephole in the gas chamber door at Krema I where, according to Prof Deborah Lipstadt, guards watched how Jews died.

This is why the revisionists deny the existence and operation of homicidal gas chambers. There is no forensic trace of Zyklon B unlike the disinfestation chambers; a chemical impossibility. The door is not airtight unlike the disinfestation chambers. The chimney is not even connected to the building, and the holes in the roof were added after the war. Therefor there were no means of getting gas in or out of the building. It is also worth noting that at the end of the war it was alleged that 22 camps had gas chambers in them. The 16 camps liberated by the allies were all rebuked due to the fact all camps post war were open for research. The remaining 6 camps including Auschwitz were liberated by the Soviets and not open for research. By now the reader surely can make the connection as to why the Soviet government would engage in the construction of fake chimneys and gas chambers.

**VIENNA 1.10.1948**

**MEMO Nr: 31/48**

**The Allied Committee of Inquiry has to date proven that no poison gas was ever used to kill prisoners**

*in the following concentration camps Bergen-Belsen, Buchenwald, Dachau, Flossenbürg, Gross-Rosen, Mauthausen and satellite camps Natzweiler, Neuengamme, Niederhagen (Wewelsburg), Ravensbrück, Sachsenhausen, Stutthof, Thereisenstadt. In all cases where gassings were alleged, it could be proven that torture had been used to extract confessions and witnesses have lied. Any former inmate who, during their debriefing continues to allege that Poison gas was used to murder people (in particular Jews), are to be reported to this office and if they insist on lying further, they are to be charged with perjury.*

**Signed Major Miller**

**Allied Military Police Vienna:**

**Witnessed by: Lieutenant Lachout MP**

The remaining six gas chambers were in Poland and under Soviet control; they were not allowed to be researched. This includes Auschwitz. The Soviets were the ones who constructed the fake chimney and smashed in the fake gas insertion holes, its no surprise when you factor in who really controlled the Soviet Union and thus whom would have implemented such orders.

## **THE FINAL SOLUTION**

---

The fact is no final solution order has ever been found despite the seizure of millions of tones of intact German documents at wars end. The Holocausters argue because the Nazis destroyed them, while the revisionists believe the documents never existed. David Irving made a compelling argument when he referenced the daily reports of Rudolf Hoess Commandant at Auschwitz. - Consult David Irving reference sheet. Revisionists also argue that the final solution to the Jewish question is taken out of context and it referred to the removal of Jews from the political, financial and media related spheres of German influence via either peaceful emigration or forced resettlement as was the case in the transfer agreement. Where Hitler collaborated with the Zionists and deported many thousands of German Jews to Palestine with their wealth intact.

The documentary evidence overwhelmingly evinces that the official policy of the Reich government was, from the very beginning, the removal of the Jews from public life and eventually from the entire German sphere of influence, via either peaceful emigration or forced resettlement. *The Transfer Agreement*, the Evian Conference, the minutes of the Wansee Conference all attest to this. A very significant document in this regard is the Luther Memorandum - an authentic and authoritative document - of August 1942, when the alleged industrial scale genocide was supposed to be in

full swing, which stated: "It is the unalterable decision of the Fuehrer that AFTER THE WAR, the Jews will have to leave Europe."

The Holocaust promoters try and rebuttal this by quoting *Mein Kampf* and stating it's clear that Hitler's intention was to kill the Jews by reading his book. Regardless of what you think there is no conclusive evidence linking Hitler to a genocidal final solution.

Dr David Duke makes an interesting argument in his book: *Jewish Supremacism: Chapter: A Holocaust Inquiry* when mentioning the Red Cross:

*Jewish leaders have directed anger towards the International Red Cross for not revealing the Holocaust or doing anything to stop it. They point out that international teams of Red Cross inspectors visited and inspected all the major German concentration camps, including Auschwitz, right up to the end of the war. On one hand, the Holocausters expect us to believe that the Germans were murdering tens of thousands of people a day in a super-secret plan that they dared not mention even in their top-secret orders. On the other hand, they expect us to believe that the Nazis would let the International Red Cross inspect those same camps and interview the prisoners during the same period they were supposedly killing many thousands each day. Here are excerpts from a telling U.S.A article: Quote:*

"Many Jewish leaders and Holocaust experts long have contended that the Red Cross failed spectacularly during World War II – mostly by not raising an alarm about the Nazi atrocities –and

compounded the failure later by refusing to acknowledge it..." In fact, in a Nov. 22, 1944, letter to U.S State Department officials about the visit, the Red Cross said: "(We) had not been able to discover any trace of installations for exterminating civilian prisoners..."

In this case, the documents show, the Red Cross failed at every possible turn. Not only had Red Cross officials neglected to grasp the situation, but they then passed along bad information to the Allies. A tendency to disbelieve horror stories. Several Red Cross documents suggest that the organization was reluctant, at least initially, to put much faith in tales and rumors' of Nazi brutality. Like the general public the Red Cross officials didn't comprehend the true extent of the Nazis' crimes...

"There is no doubt that the Red Cross let itself be used by the Nazis, "says Radu Ioanid, director of the Holocaust Survivors Registry at U.S. Holocaust Memorial Museum. "There is no doubt they were fooled."

Do the promoters of the Holocaust story really believe the members of the International Red Cross were part of an anti-Semitic, Nazi, Holocaust conspiracy? Or did their members, in spite of visiting the camps during the war and delivering to prisoners 973,000 packages and parcels (as their own records show), simply see no evidence at all of mass gassings or burnings or "extermination facilities" or for that matter, any effort on the part of the Nazis to purposefully exterminate the Jewish people?

Revisionist Mark Weber has the following to say about the Final Solution:

"The Allies confiscated a tremendous quantity of German documents dealing with Germany's wartime Jewish policy, which was sometimes referred to as the Final Solution. But not a single German document has ever

*been found that orders or even refers to an extermination program ... To the contrary, the documents clearly show that the German Final Solution policy was one of emigration and deportation, not extermination." – from his debate with Michael Shermer.*

**Note:** German documents refer to the Final Solution as the *Territoriale Endlösung*, which was one of deportation and emigration but not of mass extermination.

The Jews openly declared economic war on Germany in 1933 so they were treated no different than the Japanese Americans after the bombing of Pearl Harbor. The Jews, like the Japanese in America, were seen as a security threat and thus interned into concentration camps.

## NUREMBERG, WITNESSES & CONFESSIONS

Revisionists argue that the confessions were extracted by torture and have therefore no credibility. This proved to be the case in the 16 western camps alleged to have had homicidal gas chambers, where it was concluded the Germans were tortured to extract confessions. Note that people were executed under the premise of gassing people at these camps! The Allied police HQ document previously sited, stated: *In all cases where gassings were alleged, it could be proven that torture had been used to extract confessions and witnesses have lied.* – Referring to the 16 western camps.

A very interesting and insightful piece of information concerning the Nuremberg trials where Germans confessed to gassings was the recollections of a Judge at Nuremberg, Edward Van Roden. The following excerpt is from *A Holocaust Inquiry – a chapter of Dr David Duke's work, Jewish Supremacism*:

*Judge Edward Van Roden was a member of the Simpson Army Commission that investigated the methods used at the Dachau concentration camp. In the January 9, 1949, Washington Daily News and in the January 23, 1949, London Sunday Pictorial he told of some examples of the use of torture."*

Quote: from Judge L Van Roden -

*The investigators, "he said, "would put a black hood over the accused's head and then punch him in the face with brass knuckles, kick him and beat him with the rubber hoses.... All but two of the Germans, in the 139 cases we investigated had been kicked in the testicles beyond repair."*

*Much of the "Holocaust proof" offered today by historians is the "confessions" extracted at the war crimes trials. I thought, can we trust the "confessions" of those whose testicles had been damaged during interrogation? I was also shocked when I learned that Russian KGB officials, who themselves had committed extensive war crimes against humanity, sat as judges. I found out that Iowa Supreme Court justice Charles F. Wenersturm had resigned his appointment in disgust at the proceedings. (At Nuremberg) He charged that the prosecution prevented the defense from obtaining evidence and preparing their cases that the trials were not trying to create a new legal principle but were motivated solely by hatred of Germans. Additionally, he said that 90 percent*

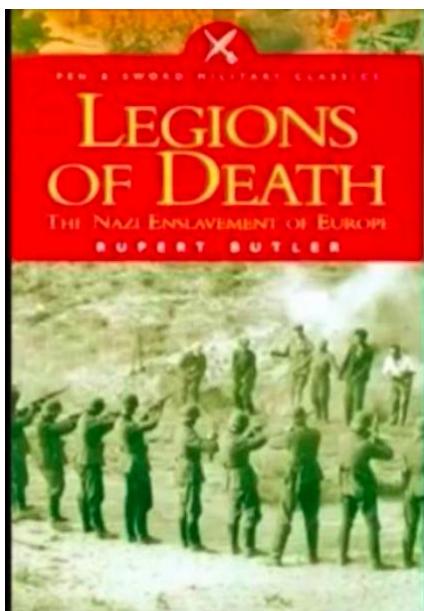

of the Nuremberg Court consisted of persons who, on political and racial grounds, were biased against the defense. He contended that Jews, many of whom were refugees from Germany and newly made "naturalized" American citizens, dominated the Nuremberg Courts and were more interested in revenge than justice."

Quote: Judge Charles F. Wenersturm -

"The entire atmosphere is unwholesome... Lawyers, clerks, interpreters and researchers were employed who became Americans only in recent years, whose backgrounds were embedded in Europe's hatreds and prejudices."

"Hoess – commandant of Auschwitz, at Nuremberg also confessed to things that were impossible. For example, he alleged that after hundreds of victims were gassed with hydrogen cyanide, workers immediately entered the non-vented rooms and removed the bodies without wearing gas masks. He described how they smoked and ate snacks as they performed their task. By comparison, in modern times, the State of California vents its gas chambers hours after an execution. Even then workers cannot enter the room without gas masks and body suits to avoid the toxic substance that can kill just by entering the pores. Anyone in the camps who immediately entered a large room saturated with deadly hydrogen cyanide that had killed hundreds of people who have quickly found himself among the victims. In his confession, Hoess also alluded to a concentration camp that did not even exist – Wolzek."

\*

Rupert Butler, in his anti-Nazi and anti-Hoess book *Legions of Death*, vividly describes Hoess capture. Here is Butler's account of Hoess torture and arrest:

**At 5pm on 11 March 1946, Frau Hoess opened her door to six intelligence specialists in British Uniform, most of them tall and menacing all of them practiced in the more sophisticated techniques of sustained and merciless investigation... We discovered later that he had lost the cyanide pill most of them carried. Not that he would have had much chance to use it because we had rammed a torch (flashlight) into his mouth... Clarke yelled: "What is your name?" With each answer of "Fritz Lang," Clarke's hand crashed into the face of the prisoner. The fourth**

time that happened, Hoess broke and admitted who he was.... The admission suddenly unleashed the loathing of the Jewish Sergeants in the arresting party... The prisoner was torn from the top bunk, the pajama ripped from his body. He was then dragged naked to one of the slaughter tables, where it seemed to Clark the blows and screams were endless. Finally, a medical officer urged the captain; "Call them off, unless you want to take back a corpse..." [Hoess] was dragged back to Clarke's car, where the sergeant poured a substantial slug of whisky down his throat. Then Hoess tried to sleep. Clarke thrust his service stick under the man's eyelids and ordered in German: "Keep your pig eyes open, you swine..." The party arrived back at Heide around three in the morning. The snow was swirling still, but the blanket was torn from Hoess and he was made to walk completely nude through the prison yard to his cell. It took three days to get a coherent statement from him."

\*

Now considering that the Germans were tortured, which is not denied in order to obtain confessions, can this really be considered proof of gassings? Hoess said four million Jews were gassed at Auschwitz, which is no longer accepted to be a fact. He confessed to Jews being made into soap and lampshades, these claims have since been scientifically debunked by revisionists. He also alluded to a death camp that did not even exist. Judge L Van Roden described vividly how horrible the Germans were treated. Another Judge at Nuremberg Charles F. Wenersturm even resigned at the proceedings because he was so disgusted. This is why Revisionists pay no heed to the confessions extracted at Nuremberg.

Revisionists pay little attention to the eyewitness testimonies. It was David Irving who stated that in a court of law a judge would always prefer forensic evidence to eyewitness testimony. He is referencing the forensic analysis done by revisionists such as Fred Leuchter and Germar Rudolf from both *The Rudolf Report* and *The Leuchter Report*, which prove conclusively that none of these building had been exposed to Zyklon-B.

Revisionists question the credibility of the eyewitnesses because literally thousands claimed to have seen Jews made into lampshades and soap which all turned out to be lies. I can also quote *MEMO Nr: 31/48* from the Allied Military Police HQ which states: **Any former inmate who, during their debriefing continues to allege that Poison gas was used to murder people (in particular Jews), are to be reported to this office and if they insist on lying further, they are to be charged with perjury.**

Also, once one factors in the Holocaust pensions and reparations which equate to over \$1000 a month, you could argue they are essentially being paid to agree with the story. One cannot deny the Jews were persecuted so lying could be a way of getting back at the Germans. However, some inmates contested the official Holocaust story. Such as Paul Rassinier a French political opponent of the Nazis.

\*\*\*

A cautionary note about fake quotations is in order here, and Jews are particularly keen to prove damaging quotes are faked/forged – see:

[http://www.zionismisrael.com/fake\\_zionist\\_quotes.htm](http://www.zionismisrael.com/fake_zionist_quotes.htm)

\*\*\*

The following is taken from **Dr David Duke's chapter, A Holocaust Inquiry, in his book: Jewish Supremacism.**

*"I read the interesting views of Paul Rassinier, a Holocaust survivor who spoke out against what he called the lies of the Holocaust. A French political opponent of the Nazis, Rassinier suffered greatly during the war. In a number of concentration camps during the war, he never saw any evidence of human gas chambers or any program to exterminate the Jews. After his liberation, he read sensationalized accounts that he knew were false. Although he had little respect for his German captors, he felt it was his ethical duty to tell the truth about the camps and refute the exaggerated and false claims being made in the world's press. In addition to the poignant accounts of his own experiences and observations, he began to research the entire issue after the war. Rassinier contended that the death toll in the camps was far lower than alleged and that the deaths were primarily caused by the poor conditions of the camps – the unintended effect of the losses and devastation of a nation crushed in a catastrophic war. He also called the allegations of gas chambers as "classic examples of war propaganda that had no basis in fact." Rassinier had nothing to gain personally in postwar France by taking such an unpopular position. In fact, he had much to lose, and after suffering all the hardships and privations of the German concentration camps, he then suffered intense persecution for his courageous writings."*

## SO WHY DO PEOPLE DENY THE HOLOCAUST?

Revisionists concede that there were concentration camps, labor camps, and ghettos established by the Third Reich into which Jews were placed. And they concede that, yes, anti- Jewish laws were enacted by the Third Reich, and that Jews faced a certain level of persecution, especially after the commencement of Operation Barbarossa in June of 1941, and it all started in 1933 after the Jewish declaration of war. What they question is the dogmatic and unfounded claim that six million Jews were killed by "Nazi Germany" in systematic, industrial scale genocide, mostly in gas chambers. The reasoning behind this questioning is entirely sound. The documentary evidence overwhelmingly evinces that the official policy of the Reich government was, from the very beginning, the removal of the Jews from public life and eventually from the entire German sphere of influence, via either peaceful emigration or forced resettlement. The Transfer Agreement, the Evian Conference, the minutes of the Wansee Conference all attest to this.

A significant document in this regard is the *Luther Memorandum* - an authentic and authoritative document – of August 1942, when the alleged industrial scale genocide was supposed to be in full swing, which stated:

\*

***It is the unalterable decision of the Führer that AFTER THE WAR, the Jews will have to leave Europe.***

\*

The physical evidence for the existence and operation of "gas chambers" is nil, as are the traces of huge amounts of human remains in numbers anywhere near approaching the six million number. No mass graves commensurate with the official narrative have been discovered. To have carried out such a massive genocide while leaving virtually no such enormous mass graves or huge traces of human remains behind is an impossibility. Human remains are incredibly difficult to make disappear entirely; the savage Jewish Bolsheviks, who murdered the Czar and his entire family, burned the bodies, dumped them into vats of acid and threw them down a mineshaft. Yet, nearly 80 years later, there were enough traceable remains to positively identify them.

The entire foundation of the Holocaust story falls on the confessions and eyewitness testimonies. It is not denied that the Germans were tortured for confessions as the book *Legions of Death* openly brags about it. The eyewitnesses in the Revisionist's eyes have no credibility and they were not even cross-examined at Nuremberg. There were hundreds of thousands of repentant eyewitnesses to Witches' Sabbaths during the Middle Ages. Likewise, there are even more eyewitness accounts to personal contact with extraterrestrials. However, such personal accounts are absolutely worthless if there is no physical or documentary evidence to corroborate them.

As is the case with the Holocaust.

Of course many Jews died and suffered during the war, and during many camp liberations hundreds (not millions) of dead skeletal Jews were found. But despite hundreds of autopsies done by the Allies not one autopsy proved anyone was killed by poison gas.

The following quotation is taken from Dr Fredrick Töben's documentary **Judea Declares War on Germany**:

\*

**Most of us have seen the terrible scenes taken by the Allies of piles of dead emaciated corpses in the camps awaiting burial. What you are not told is that teams of pathologists followed the invasion forces into Europe and did the Autopsies on thousands of these dead bodies. Dr. Larson, pathologist with the Judge Advocate Generals Office led these teams and reported; "Not One case of death by Poison Gas was found!" Dr John E Gordon MP.P.h.D Harvard Professor was also with the US Forces. He reported, "Most deaths in concentration camps were caused, not by starvation nor maltreatment but by Typhus.**

\*

Revisionists believe that the Allies are equally responsible for the state the Jews were found in during camp liberations. In the last months of the war Germany was being bombed into the stone age, in *Operation Gomorrah* carried out by the RAF and American air force, supply lines and pharmaceutical factories were deliberately bombed to sever the food supplies. Thusly, the Jews were starving in the camps, but at that point all of Germany was starving. The Nazis could not feed their soldiers or civilians let alone their prisoners. The Revisionist don't deny Jews suffered or died, they deny the six million as an irresponsible exaggeration and believe the true figure to be in the hundreds of thousands, dead from influences of war.

Allegations of a Hitler order and Gas chambers are also denied. They have scientific studies and documents to corroborate their viewpoint. Instead of having their questions answered they are slandered, called anti-Semitic, racists, neo-Nazis, terrorists, etc.

Every revisionist I cited in my reference sheets was never accused of anti-Semitism before they investigated the Holocaust. The Jewish revisionists are the exception to the previous mentioned slanderous comments David Cole and Dr Norman Finklestein have instead been labeled by the media as self-hating Jews. In my opinion the Revisionists are not motivated by racism or hate, or

some crazy revival of a *Fourth Reich* as the media claims, they just want the truth. If it were not for Revisionists we would still accept the 16 western gas chambers to be authentic, we would still accept the allegations of skin lampshades and Jewish soap and we would still accept that four million Jews were killed at Auschwitz.

The holocaust revisionists are categorically the greatest researchers I have ever read. And yet when their truth is spoken, it is met by the lowliest of comments, devoid of any content, only filled with hate, blindness and a brainwashed kind of stubbornness. To call them conspiracy theorists is equally ridiculous. Conspiracy theorists are usually hysterical and rabid, while academics are usually calm and factual. Which side is hysterical and rabid here? It's additionally strange to call Holocaust Revisionists "conspiracy theorists" when the believers believe in a Mass German Conspiracy to commit genocide and then remove all the evidence. It's the Revisionists that are calm and factual. It's the faith-filled exterminationists that get hysterical and rabid about their conspiracy theory. Why does the ADL, a Jewish organization – Anti-Defamation League of the B'nai B'rith, which has a \$37million annual budget in the United States – devoted to defaming those who criticize Israel or question parts of the Holocaust tale instruct its spokesmen never to debate any aspect of the Holocaust? The Revisionists welcome debate, why is this met with slander?

\*\*\*

**When the debate is lost,  
slander becomes the tool of the loser.**

– Socrates.

\*\*\*

I'm at the point where these petty historical debates can be resolved in one paragraph by looking at the historical record. The whole holocaust debate is put to rest when one considers articles written over several decades before WWII even started, in various mainstream newspapers, in black and white, that six million Jews were being persecuted, starved and rounded up in Eastern Europe and Russia. Now, that's historical evidence that nobody can refute, the *New York Times*, the *Montreal Gazette*, etc., all reporting the same six million number in the 1910s and 1920s and 1930s. That doesn't just prove the six million number is a hoax – to this very day, it proves beyond a shadow of a doubt that there's a highly coordinated and sinister conspiracy behind mainstream media, government, finances and world Jewry that funnels money back to the cabal that created it. The scientific analysis of the gas chamber is conclusive, irrefutable and in my mind the smoking gun of the whole ordeal. The Revisionist viewpoint is more than justified.

How can we deny that which never happened?

## THE CONCENTRATION CAMP CURRENCY YOU HAVE NEVER HEARD OF

By Penny Schwartz

**Times of Israel, 20 October 2015**

WORCESTER, Mass. (JTA) – In the 70 years since the fall of the Third Reich, the trappings of Nazi power have become infamous icons of evil — think of the swastika flag, the yellow badge or the striped concentration camp uniform.

But have you ever heard of "Holocaust money," the currencies that the Nazis forced on Jews and others in concentration camps and ghettos? If not, you're not alone. Even scholars have largely neglected the subject.

"It's a mystery to me," said Deborah Dwork, a professor of Holocaust history at Clark University here, regarding why there isn't more contemporary research on the currencies. Dwork hopes to change the situation. The university's Strassler Center for Holocaust and Genocide Studies, which she directs, is making a newly acquired collection of the notes and coins available for study this fall. "Clearly this is an under-researched area," Dwork said. "It is a salutary reminder that we think we know so very much, but there are areas about which we know very little."

**Some of the Holocaust money in the collection at the Strassler Center for Holocaust and Genocide Studies at Clark University. Courtesy of Clark University.**

Robert Messing, an amateur numismatist, or currency expert, who graduated from Clark in 1959, donated the collection last spring. The university and the Strassler Center have funded Marisa Natale, 20, a junior studying history, the Holocaust and genocide, to research the collection and consider how students may be able to use it.

The first known use of Holocaust money was in the Lodz ghetto in Poland in 1940. Over the next five years, the Nazis introduced currencies in concentration camps and other ghettos in Germany and occupied Poland, Czechoslovakia and the Netherlands. Each camp or ghetto had its own currency — with unique denominations and designs — to be used only within its gates.

Natale said Holocaust money was part of a complex economic system that served to strip European Jewry of its resources and further the Nazis' genocidal aims. Jews could redeem the money under Nazi regulations or through black markets for food, clothes and other goods.

*In concentration camps, Nazi officials and some factory owners paid Jewish slave laborers "bonuses" in the currencies to make them work harder. Thousands of Jews were worked to death during the Holocaust.*

\*

Any informed Revisionist is aware of the role camp money played within the network of camps and so it is nothing new what is written in this article, except that again there is a Jewish spin to the story – Jews being worked to death! Not gassed to death but worked to death – or is it both?

What is the allegation of anti-Semitism but a trick of conversation employed by intellectual midgets. Was this

report anti-Semitic or was it the truth? Am I an Anti-Semite? Do you want the politically correct answer or my heart felt convictions?

I only state what I find to be the truth and my opinions are as such:

**1.** Judging by Jewish religious theology as it is unequivocally conveyed by their ethical guide as written up in the *Babylonian/Jerusalem Talmud* – with absolutely no room for rationalization – that non-Jews are goyim and subhuman;

**2.** Judging by their actions and involvement in genocides and wars both past and present;

**3.** Judging by how they conduct themselves in the Middle East, namely Palestine, wherein I have stared into the eyes of hundreds of photos of dead Palestinian children decapitated by cluster bombs and burnt to a crisp by white phosphorous.

**4.** Judging by the harassment and censorship I have personally experienced, and the harassment and sacrifices and deprivations suffered by my peers; many of whom have been jailed –

I thus convey to you in my writings from a position of reactionary hatred. It is not an irrational hatred; my hatred is justified as a self defense reaction. Indeed,

**1.** I hate economic swindlers, the media manipulators who deceive and incessantly beat the drums of war.

**2.** I hate those who subvert and corrupt our nations – the banksters.

**3.** I hate those who start wars based on lies and murder children.

**4.** I hate those who are wiping Palestine off the map and committing genocide by the true definition of the word – because it just so happens that all of these disgusting things that are transpiring are the works of Jews, these are not my musings but simply the facts.

*The phrase "anti-Semite" is merely a propaganda word used to stampede the unthinking public into dismissing the whole subject from their minds without examination: so long as that is tolerated these evils will not only continue, but grow worse.* – Captain Archibald Maule Ramsay, in his book, *The Nameless War*.
